## Education

**Oriental College**  
B.Tech from Computer Science

March 2024 - April 2027

## Work Experience

**Software developer Intern**

February 2024 - April 2024 Remote

LeopardRuns Innovation and Technology

- Created user experience flows for 10+ features and interfaces, optimizing usability and enhancing user satisfaction
- Created a blood donation website with, driving a 20% rise in donor registrations, and crafted compelling website visuals, sparking a 30% surge in user traffic.

## Projects

**Checkcode**

Mar 2024

- Developed "Checkcode," Revolutionized the platform by seamlessly integrating with leading coding websites like LeetCode, Codeforces, and HackerEarth, enabling users to track solved questions across various programming languages effectively.
- Implemented secure Google Authentication, ensuring data protection and seamless user access.
- Empowered developers, designers, designers, and businesses, resulting in a 40% increase in overall productivity

**Portfolio Website**

Dec 2023

- Implemented an intuitive and user-friendly menu system, resulting in a 40% improvement in website navigation efficiency- and reducing the average bounce rate by 35%
- Incorporated a comprehensive collection of 4+ project descriptions, 4 chapters, and various other relevant documents, effectively showcasing skills and experience to attract 50+ potential clients and employers

**Snake Game**

Jan 2023

- Implemented an intuitive and user-friendly menu system, resulting in a 40% improvement in website navigation efficiency- and reducing the average bounce rate by 35%
- Achieved a 100% completion rate in developing a classic Snake game using C language, meticulously implementing core game mechanics such as snake movement and collision detection. Leveraged fundamental C programming concepts to ensure a captivating and interactive gaming experience. Demonstrated exemplary proficiency in problem - solving and algorithmic thinking throughout the development process.

## Skills

**Languages & Libraries** C | C++ | SQL | HTML | CSS | JavaScript | React

**Tools & Software** VS Code | GitHub | MongoDB | Adobe creative suite

**Soft Skills** Creative Thinking | Decision making | Management

## Achievements & Extra-Curricular

- Solved 100+ DSA questions on various platforms like Leetcode, GfG, HackerRank, and more
- Achieved finalist positions in 1+ hackathons by solving real-world problems with innovative and practical solution.

## Positions of Responsibility

**Founder @Checkcode:** Founded and spearheaded the Checkcode community of 50+ enthusiasts

## Hobbies

Reading books (mostly Self Help) | Music | Travelling | Photography | Painting | Calligraphy
